

**Decision for Injunction Says
\$15,000 Dam Had to Be
Constructed.**

MUSKOGEE, Dec. 6. — Claiming that refuse from the properties of the Ohio Cities Gas company has leaked and contaminated the water supply at Sopulpa, the city of Sopulpa this afternoon in federal court filed a petition for an injunction restraining the company from continuing to refuse near the source of the water supply in Euchece creek from 10 to 50 barrels of salt water sediment and refuse is dumped in the creek daily by the gas company. The suit asks for 14 oil and gas wells on its property in 18-11-11. The water is made unfit for human consumption, has greatly damaged the water plant machinery and has made necessary the building of a new water works at an expense of \$16,000, the suit says.

NORMAN, Dec. 6.—Thursday and Friday of this week were Wood-gathering days for men students in the University of Oklahoma. Four fraternities and sorority houses here are entirely out of coal and supplies of the others are dwindling. In addition many citizens are down to their last 100 pounds and wood will be used as a substitute. Small oil stoves are supplying all the heat available in those houses out of coal.

Attorney Crump of Muskogee Takes Third Wife.

Special to The World.

MUSKOGEE, Dec. 6.—W. J. Crump of this city, one of the leading criminal attorneys of the state, was married for the third time here.

Miss Gladys Jones, the girl he married was his stenographer last spring when his second wife obtained a divorce from him on the grounds of cruelty. His second wife was a step-daughter of his and married his first wife who was the sister of Chief Justice Thomas P. Owen, died 10 years ago. Mr. Crump is 53 years old and his wife is 21. The wedding was a quiet affair at the home of the bride, only Mr. Crump's daughter, herself divorced, and the immediate family of the bride being present.
